WHY FAMILIES CHOOSE US

WHO WE SERVE

MarkofMercy (MOM) is dedicated to empowering individuals with intellectual and developmental disabilities (IDD) through compassionate, person-centered care.

We proudly support individuals and families across communities throughout Maryland, delivering services that promote independence, dignity, and overall well-being.

At MarkofMercy (MOM), we care for individuals of all abilities with the warmth, dedication, and support of a mother.

ABOUT US

MarkofMercy Inc.

At MarkofMercy Inc., care is more than a service, it is a calling.

We are dedicated to supporting individuals with disabilities by creating a safe, compassionate, and empowering environment where every person feels valued, respected, and encouraged to thrive. Inspired by the unconditional love and protection of a mother, our approach is rooted in dignity, patience, and genuine human connection.

We believe that everyone deserves more than care. They deserve understanding, meaningful support, and a true sense of belonging.

Our team is committed to walking alongside those we serve, providing personalized assistance that promotes independence, builds confidence, and enhances quality of life. Whether through daily living support, companionship, or advocacy, we meet each individual where they are and support them in reaching their fullest potential.

At MarkofMercy, we care deeply about the people we serve.

To us, every individual is family.
